

SMALL EMPLOYER RIDE ALONG PROGRAM

The Alberta Construction Safety Association is please to announce that due to the over whelming success of the 3-year pilot, the Small Employer Ride Along Program has now become an full time program. Over the past 3 years our 2 Small Employer Advisors have worked with numerous Employers assisting them developing Health and Safety programs through sound advise.

The Small Employer Ride Along program is outlined as follows:

- Advise on the use and application OH&S legislations
- Advise on implementation strategies of health & safety programs.
- Make recommendations on health and safety training requirements.
- Assist industry on the development of industry recognized Best Practices
- Demonstrate the Construction Safety Training System (CSTS).
- Advise on first aid requirements and emergency planning.
- Advise workers on their responsibilities for health and safety.
- Advise Contractor on their role and responsibilities regarding legislation.
- Inform Contractor on current and up coming legislations.
- Work with participating Contractor supervision on using and applying the company's Health & Safety Program (i.e., Hazard Assessments & Inspections).
- Work with industry to assess the industry needs for the development of training programs.
- Demonstrate examples of safety equipment.

The Small Employer Ride Along Program is available to all ACSA members and associated member s for free under the following criteria:

- Small Employer - **Small Employer Definition** is: " a **Small Employer** has 10 or fewer workers. This number includes the owner, clerical or administration staff, part time workers, temporary staff, family members, volunteers and whom you pay WCB for.
- A Large Employer whom hires Small Employers to carry out work activities on a regular basis.

If you would like any more information or would like to participate in the Small Employer Ride Along Program please contact the Edmonton or Calgary office.
